## **2017 Fall Camporee**

### **“FRIENDSHIP”**

**27 – 29 OCTOBER 2017**

**East Carolina Council  
Boy Scouts of America  
Camp Sam Hatcher - Newport, NC**

## Welcome from the Campmaster

Greetings Scouts and Scouters!

Welcome to the 2017 CT Dist. Fall Camporee. Our theme for this event is “FRIENDSHIP.” Preplanning will be necessary and will allow both youth and adult leaders an opportunity to practice skills. Emphasis is placed on “**friendship**”. We will commonly use the **E.D.G.E.** method of training in various activities.

Pre-registration is required for this camporee, as it will provide your unit with a Camporee packet containing patches and information necessary for an enjoyable experience. Upon arrival at Camp Hatcher North, check-in at registration to receive your Camporee packet, and proceed to your campsite to set up for the event. The normal campground amenities are available. Port-a Johns will be positioned throughout the campsites. Potable water should be available barring unforeseen emergencies.

Low impact camping and “Leave No Trace” are the key concepts. Use the normal campsite inspection guide as your standard. We may add some specific items such as “Construction Materials” to the list (explained at Round Tables).

**Pre-registration \$15.00 is required, please. An additional \$5.00 per head processing fee will be charged to units not pre-registered (total \$20.00). So please register by the deadline!!!**

On behalf of the Camporee and District Committees, we hope your experience with the various events is a positive one. We wish you well as you continue your preparations. We will be discussing and explaining event details at upcoming Boy Scout Round Tables. Your Unit Commissioners have details and are a vital resource for your units.

In the spirit of Scouting,

**Campmaster**

Tracy Kruse  
the Better Beaver

**Vice Chief Events**

David Whitlow

**OA Chapter Chief**

Jared Drumm

**Chief of Food**

The Cook

**Chief Judge & Registrar**

08:30	Awards presentation and recognitions.
09:00	Closing ceremony – Color guard TBA.
09:15	Check out and departure – <b>Leave no Trace – Collect Aluminum</b> - Drive Safely.

## Guidelines

<b>Registration</b>	<b>Pre-Registration is \$15.00 per person. Pre-registration is required in order to assemble each unit's Camporee Packet. All participants must be registered members of the BSA (any program).</b>
<b>Health Forms</b>	<b>Double check that you have updated medical forms in your files and with you during the Camporee.</b>
<b>Youth Protection</b>	<b>Assure that all members of your unit are current with their youth protection training.</b>
<b>Rosters</b>	<b>All units <u>must furnish</u> an updated roster of <i>all participants</i> at check-in. Unpaid add on members can be registered and paid at this time.</b>
<b>Permission Forms</b>	<b>All units are required to have a current permission slip for each Scout in attendance. Parental permission is required for most types of emergency treatment at a medical facility. These forms should be kept in the Troop Campsite and readily available in case of an emergency.</b>
<b>Campsite Assignments</b>	<b>First come, first served. Use "Leave No Trace Guidelines."</b>
<b>Parking</b>	<b>Parking can be a challenge. Please limit the number of vehicles you bring to the event. Designated parking areas will be marked for your use – we must assist each other. Extreme caution is needed at all times.</b>
<b>Traffic Control</b>	<b>Exercise caution at all times. Be alert and avoid parking, even for a brief time, on the main road through camp (emergency vehicles may be needed). Follow the camp staff member's directions.</b>
<b>Uniforms</b>	<b>We are a uniformed organization. Uniforms are a means of communication! Any other questions?</b>
<b>Leadership</b>	<b>Adequate and appropriate adult and youth leadership is essential. Two-deep adult leadership is a BSA requirement.</b>
<b>First Aid</b>	<b>Each unit should have its own first aid kit sized to treat their unit in an emergency. A first aid station will be located in or near the administration building. All injuries no matter how minor shall be reported to the first aid station.</b>
<b>Latrines</b>	<b>Port-a-johns will be provided and located throughout the camp. Throwing of trash in the units is unacceptable and results in excess rental fees.</b>
<b>Trash/Garbage</b>	<b>There is no trash service at this camp. You are asked to separate your aluminum recyclables. The OA will recycle them and donate the proceeds to OWLS. Leave the campsite better than you found it.</b>
<b>Security and Fire Safety</b>	<b>To reduce the number of unauthorized persons visiting your campsite, it is recommended that at least one person (preferably an adult) remain in the campsite at all times. The proper use of fire and fire prevention is of the utmost importance. All units are expected to maintain a fire safe campsite at all times. Set up a fire fighting station, have a plan, use it. It is <u>a campsite inspection requirement</u>.</b>

<b>Water</b>	<b>Potable water is available at the various spigots located throughout the campgrounds.</b>
<b>Fuel</b>	<b>Firewood is not provided. <u>Do not cut trees</u>. Current BSA policies on the use of chemical, liquid, gaseous, or jellied fuels apply. Ref: Guide to Safe Scouting and the Scoutmasters Handbook.</b>
<b>Patches</b>	<b>Patches will be ordered for pre-registered participants, only and will be provided in the Camporee Packets.</b>
<b>Campsite Maintenance</b>	<b>Practice “<u>Leave No Trace</u>” camping. Remove all trash and do not leave firewood that you brought to the event. Members of the staff will visit your campsite to assist with any questions you may have and to offer constructive suggestions.</b>
<b>Religious Services</b>	<b>A non-denominational religious service will be provided after morning colors Sunday. A collection for the “World Brotherhood of Scouting” will be available.</b>
<b>WEBELOS Scouts</b>	<b>WEBELOS Scouts are invited to participate in this event. They should be organized into patrols or joined with their Boy Scout Troop Patrols to participate in the events. Participation in the various events will be by Troop and Patrol. The normal BSA policies regarding parent attendance will be observed. All BSA rules and policies apply to these Scouts and parents.</b>

## Events and Procedures

### Uniform Inspection Guidelines and Miscellaneous Items

The Friday evening uniform inspection will be held under Bob Howard Lodge and the McCain Training Building. The BSA uniform inspection sheet will be used as the guide for the inspection. The new uniform may present some challenges but judging will be as consistent as possible. Being prepared is the key to success at inspections!

**PLEASE NOTE:** Each Scout who brings a non-perishable food item to the inspection can earn 10 points per item for a *maximum 100 bonus points for his patrol*. These items will be given to a local food bank and should assist with the ongoing food drives.

**Troop Campsites –** Will be evaluated for eco-friendliness (e.g. minimum use of throw away materials; minimum trash generated; leave no trace techniques etc.). Campsites will be inspected per the Croatan Trails campsite inspection form. A copy of the form has been provided for you at the end of this document. However, a pdf version can be found at the following link: [http://ctscouts.org/downloads/CAMPSITEINSPECT2%20 2.pdf](http://ctscouts.org/downloads/CAMPSITEINSPECT2%202.pdf)

### **REMINDER, REMINDER, REMINDER**

Electricity is not available in the campsites. Water outlets are in many campsite and we will attempt to assure they are operable. This is not guaranteed. Water is available at Bob Howard Lodge and several surrounding locations. So, bring containers and expect to carry water to your campsites.

Plan accordingly.

### **--- BE PREPARED ---**

**Remember that the Order of the Arrow unit elections is held Friday evening at this event. Time constraints make check-in, uniform inspections, and elections a very busy period.**

**The better prepared you are, the more enjoyable the experience!**

# **Competitive Events**

## **COREE Human Foosball: Patrol Activity**

**This will be a patrol activity, single elimination tournament. Rules:**

**The game will be played 6 on 6 (patrols may be combined if needed to make a full field). Each patrol will have a goalie, (2) forwards, and (3) mid-fielders. • Each game will be played until one patrol scores 10 goals or a total of (2) 7-minute halves and a 1-minute half-time have been played (whichever occurs first). Clock will continue to run unless there is an injury. • Do not remove hands from hand grip. Do not lean on poles. Warnings/reminders will be issued by referee. • Do not touch the ball. Any player to do so will automatically result in rewarding opposing team with a free kick. • Do not touch any player, at any time with your hands. 1st offense = warning, 2nd offense will result in that player being removed from the court for the remainder of the game. • After each goal, the opposing team will get possession of the ball to continue play. • If the ball leaves the court, it will go to the opposing team at mid-field. • Subs are allowed at half-time, or in the case of an injured player. • Tournament Director's decisions are final. The game is over when the time expires or 10 goals are scored.**

## **Tug-O-War: Troop Activity**

**For possession of the trophy.**

## **Cooking Challenge: Patrol Activity**

**Dutch Oven Brownie. The ingredients are up to you. You must provide brownies for 3 judges to sample. Please use a disposable tin/plate and remember to label the bottom of your entry with your unit and patrol name, and provide a list of ingredients.**

**Unit Registration Form**  
**Activity # 181**

Troop No. _____	Number of Patrols _____
Number of Scouts _____	Number of Adults _____
Total No. of Scouts / Adults ____/____	X \$15.00 = \$_____
Total No WEBELOS _____	X \$15.00 = \$_____
Total No. of Adults: _____ (WEBELOS parents/guardians)	
Total amount:	\$_____
