Fall Cub Family Campout

Welcome!

Please plan on joining Cub Scouts and their families from across Croatan Trails and Neuse Basin Districts for a weekend of fun and adventure at Camp Sam Hatcher! Your entire family (brothers, sisters, grandparents, etc.) are welcome to join us for a memorable weekend.

The theme of this Campout is "S'MORE FUN". Activities will center around Cub Fun, incl. games, crafts, and static displays! Please see inside this packet for specifics on the events and other important information. Pack gateways should incorporate anything FUN in Cub Scouts.

The registration fee is \$25 for your entire family up until Monday, October 8, 2017. After that, the fee rises to \$30. Pre-registration is strongly encouraged to ease the Check-In process. Whether your family camps or comes out for the day, the fees remain the same. (Camping is encouraged, but is not mandatory).

The gates open and Check-In begins Friday afternoon at 3:00pm. All activities begin Saturday morning and camp closes with a non-denominational church service Sunday morning. Upon entering the camp, stop at the Check-In station for your parking pass, schedule and event patch. The staff will then direct you to your Pack's campsite.

The Check-In station hours will be: Friday 3:00-8:00pm and Saturday 8:00am until 3:00pm. If you arrive when it's closed, please proceed to your campsite and return when open. This station is also your "go to" spot for information and to report injuries or repairs.

The Camp Staff is listed below. They are available if you need any assistance.

Campmaster:	Ernie Giblin
Assistants:	Richard Bush, Monica and Tracy Kruse
Check- In Station:	Maryann Ryan
Inspections:	Ernie Giblin, Richard Bush and William Ryan
Webelos Cooking:	Ed Ryan

Pack leaders and parents will be needed to run events also. This will be reviewed at the Friday night leaders meeting, so make sure someone is there to represent your Unit.

The Camp Staff hopes you have a wonderful weekend filled with life long memories!

This Campout will follow B.S.A. policies concerning safety and outdoor activities; consult the "Guide to Safe Scouting" for more information.

Webelos Cooking Contest Guide

The purpose of this event is to help prepare the Webelos for Boy Scouts. In a Boy Scout Troop, the youth are responsible for cooking the meals for their patrols. This event has quickly become one of the most popular at each campout!

Here are the basic rules:

There will be a designated cooking area for this contest. Only members of the Webelos den participating are allowed in this area. Adults may observe and only assist verbally when granted permission by the judges, but are encouraged to let the scouts work on their own. We are striving to teach independence and self-reliance. No prepared products will be used other than 2 of the 3 s'more items (marshmallows, graham crackers, chocolate).

There may be more than one den per Pack, but only one entry per den.

Cooking must be done in a Dutch oven. Each den must provide their own equipment (i.e. Dutch oven, table, utensils, cutting board, gloves, etc.). The judges will provide the hot coals with which to cook a dish that contains at least 2 of the 3 ingredients in a S'more (marshmallow, graham cracker, chocolate).

For safety reasons, no foreign items (sand, twigs, etc.) will be added to your dish. The Webelos should start with clean equipment and use clean cooking practices (sorry, that means no finger licking!) nor eating raw ingredients.

The finished dish must be presented for judging at the Bob Howard Lodge no later than 5:00pm.....no exceptions!

Judging will be done by the Camp Staff. In addition to judging the dish for looks, smell, tastiness, and No Burnt Spots, the judges will also take into consideration the preparation, safety, cleanliness, team work, and good sportsmanship with other dens while cooking.

Please use a disposable tin/plate and remember to label the bottom of your entry with your unit and den number, and provide a list of ingredients.
